

Complete **Part 1** of this form to calculate your graduate tuition tax credit, and if applicable, **Part 2** to calculate your graduate tuition refund.

**Eligible tuition fees** are tuition fees for which you were entitled to claim the federal tuition amount after 2004 and up to the date you graduated. The tuition fees have to be paid for your enrolment in the eligible program certified on the *Graduate Retention Program Eligibility Certificate*.

If you have tuition fees for which you could not claim the federal tuition amount, you may still be entitled to claim them. Contact the Canada Revenue Agency for more information.
