

## Tax-Exempt Earned Income and Contributions for a Pooled Registered Pension Plan

Starting in 2013, for the purpose of contributing to a pooled registered pension plan (PRPP), the *Income Tax Act* allows tax-exempt earned income by an Indian (as defined by the *Indian Act*) to be included in the calculation of his or her non-deductible PRPP limit for the year.

Complete this form and attach it to your return if you are an Indian and you have earned income that is tax exempt, or you have made non-deductible PRPP contributions using non-deductible PRPP room from a previous year. This will allow the Canada Revenue Agency to calculate and track your non-deductible PRPP room that you have to make non-deductible PRPP contributions on your tax-exempt earned income for the 2017 tax year.

For a complete description of the guidelines and examples where income is tax-exempt and where it is taxable, go to [cra.gc.ca/aboriginalpeoples](http://cra.gc.ca/aboriginalpeoples).

**Note:** Gross tax-exempt employment earnings are reported in box 71 of the T4 slip, and gross tax-exempt self-employment earnings are reported in box 88 of the T4 slip. You may have other tax-exempt earned income that is not included on an information slip.

For more information about PRPPs, go to [cra.gc.ca/prpp](http://cra.gc.ca/prpp).

For more information about earned income, see Guide T4040, *RRSPs and Other Registered Plans for Retirement*.
