Income Exempt under the Indian Act

If you are registered or entitled to be registered as an Indian under the Indian Act, your personal property, including income, is **exempt from tax** when it is situated on a reserve.

Is this form for you?

You can use this form if **all** of the following apply:

- you are registered or entitled to be registered as an Indian under the Indian Act
- you have income that is exempt from tax under the Indian Act

For a complete description of the guidelines and examples where income is exempt and where it is taxable, go to canada.ca/taxes-aboriginal-peoples.

Use this form to calculate your net exempt income and attach a completed copy to your paper return. Since this income is not reported on an income tax and benefit return, the Canada Revenue Agency needs this information to determine your Canada training credit limit (CTCL) and your Canada workers benefit (CWB).

This form also may be used to calculate your family's provincial or territorial benefits depending on where you resided on December 31.
