

Climate Action Incentive

Schedule 14

The Government of Canada has announced its intention to deliver the Climate action incentive (CAI) as a quarterly benefit. If you are eligible, you would automatically receive your CAI payments four times a year, starting in July 2022. To receive your payments, you have to file a tax return even if you did not receive income in the year. For more information, go to canada.ca/child-family-benefits.

The CAI consists of a basic amount and a 10% supplement for residents of small and rural communities.

Complete this schedule **only** if you reside outside a census metropolitan area (CMA) and expect to continue to reside outside the same CMA on April 1, 2022. To find out if you reside outside a CMA, go to canada.ca/census-metropolitan-areas.

Attach a copy of this schedule to your paper return.
