- You can claim a 30% non-refundable Newfoundland and Labrador venture capital tax credit under section 46.2 of the *Income Tax Act, 2000* (Newfoundland and Labrador) if the corporation is a qualifying investor and:
 - has received a venture capital tax credit certificate for the year, or
 - has unused tax credits from any of the three previous years ending after 2013.
- The credit applies to a qualifying investment acquired on or after January 1, 2014. The credit you earned in the year is used to reduce your Newfoundland and Labrador tax payable for that year. Any unused credit can be carried forward for seven years or carried back for three previous tax years ending after 2013.
- The maximum lifetime credit that a qualifying investor can claim is \$75,000 based on one or more qualifying investments totalling \$250,000.
- If you file your T2 *Corporation Income Tax Return* electronically, keep your certificate in case we ask for it later. Otherwise, file it with your paper T2 Return.

Part 1 – Credit available for the year and credit available for carryforward

Corporation's credit earned in the current year (total of all credit amounts from venture capital tax credit certificates received for the tax year)	100		A
Add:			
Unused credit at the end of the previous tax year		a	
Deduct: Credit expired after seven tax years	130	b	
Unused credit at the beginning of this tax year (amount a minus amount b)	135	▶	B
Total credit available for the current tax year (amount A plus amount B)			C
Deduct:			
Credit claimed in the current year* (enter on line 504 of Schedule 5)	150	c	
Credit carried back to previous tax years (complete Part 2)		d	
Subtotal (amount c plus amount d)		▶	D
Closing balance – credit available for carryforward (amount C minus amount D)	190		E

* This amount is equal to the least of: amount C and the Newfoundland and Labrador income tax otherwise payable for the year.

Part 2 – Request for carryback of credit

Complete this part to request a carryback of a current-year credit earned to a tax year that ends **after December 31, 2013**. The credit that can be carried back to the three previous tax years is: the current year credit earned **minus** the amount by which the current year tax otherwise payable exceeds any unused credits applied in the tax year.

The maximum amount of credit that can be applied to a prior tax year is the lesser of:

- the income tax payable in the prior tax year; and
- \$75,000 less the amount of any credit previously deducted in that prior or any other previous tax year.

	Year	Month	Day		Credit to be applied	
1st previous tax year ending on					901 _____
